From Airport - to Hotels

We suggest to take the **Airport Minibus**, that's the easiest (and maybe the most economical) way. You can buy your ticket at the welcome desk in the arrival hall. It's a bit cheaper, if you buy a retour-ticket straight away. (3900 Ft irrespectively of the distance, inside Budapest.). This minibus will take you where you want to go exactly, like a taxi. More details can be found on the Budapest Airport website:
http://www.bud.hu/index.nfo?tPath=/english/transport/airport_shuttle&prk=8004749980&larticle=642

Or if you want to enjoy the Hungarian **public transport**:
You take the Bus No 93 which will take you to Kőbánya-Kispest station, from where you can follow your trip with subway Blue to Deák tér where you have to change to subway, or other vehicle to approach your hotel. If you chose the Hotel Mercure Buda you take the subway Red and you have to go to terminal (Déli pályaudvar = Southern Railway Station). The hotel is 5 minutes walk from here on Krisztina körút = Krisztina Boulevard.

From **Highway** M1, M7: please have a look at the map on the previous page.
