**Bratislava, 21-22 September 2006**
Educational Content

**Michael SEIFERT**
Wirtschaftskammer Österreich
WIFI - Institute for Economic Promotion
WIFI Network

Michael Seifert is a mechanical engineer and an aircraft-engineer by profession. He started his career with the Austrian army as a training-officer at The Army Technical Training School in Vienna.
1986 he joined the airline-business and built up the department for technical-logistic support at Lauda Air.
In 1989 Michael Seifert started working for the Austrian Federal Chamber of Commerce and dealt with data mining, internet and technological innovation projects.
1998 - 2000 he initiated and organised the TELEFIT-Shows and the popular "eDay", both important information-events for Austrian companies regarding eBusiness.
Since 2003 he is responsible for the e-Learning-activities of the WIFI and is head of the WIFI e-Learning team. 2006 he was nominated by the Austrian Federal Chamber of commerce as national expert for e-Skills with EUROCHAMBRES.
