SPEAKER

PREPARING FOR ECONTENTPLUS IV
Digital Libraries - Cultural Content
Vienna, 1-2 February 2007

Adolf KNOLL
The National Library of the Czech Republic, CZ
Statutory Deputy Librarian - Deputy for Strategic Planning & RTD

Adolf Knoll is Deputy Director-General and Director for Science, Research, and International Relations at the National Library of the Czech Republic. He coordinated several national RD projects in the area of digitization and digital access to library materials including the current long-term task to build the virtual research environment for historical documents.
As a member of the advisory board of the EU PULMAN project he coordinated several UNESCO pilot projects in the area of digitization; worked as an expert for the Open Society Fund and taught digitization courses for librarians in several countries in CEE and Asia.
He is member of

- the UNESCO Memory of the World Sub-Committee on Technology
- the High Level Expert Group on Digital Libraries set up by the European Commission
- the EC Coordinating Group for Cooperation between Libraries, Archives, and Museums in the European Digital Library and
- the ICT Task Force of the Central European Initiative established in Trieste.
